New Name...New Logo

- Our new name and logo effectively defines who we are and what we do.
- The colors in the new logo are reminiscent of the colors in the City of San Luis Obispo logo and recognize our presence and participation in the local community, as well as the global opera community
- The design elements are intended to convey a modern, elegant design; forward-looking, yet timeless, invoking a sense of community and the natural environment
- Logo designed by Barnett Cox & Associates

*“An Opera begins long before the curtain goes up and ends long after it has come down.
It starts in my imagination, it becomes my life and it stays part of my life long after
I’ve left the Opera House.”*

- Maria Callas (1923-1977)
